

Denali

The finely crafted, high-low pile area rugs of the Denali Collection are contemporary styled, texture rich floor coverings. Quatrefoil and geometric motifs are raised against a low loop pile creating a fabulous dimensional aspect to these decorative floor coverings. Denali rugs are hand-tufted with flecked yarns adding the final accent for a look that adds depth and a sense of motion to room decor.

<i>Size</i>	<i>Price</i>
5 x 8	\$499
8 x 10	\$799
